Homeowner Association (HOA) Drought Year Water Conservation Service Pack

- 1) **Garden-In-A-Box** — Professionally designed Xeriscape / WaterWise garden kits that include 15-28 xeric plants in 4-inch pots, your choice of multiple garden themes, “plant-by-number” designs, and instructions for 75-100 square foot garden plots. Customers need to pick up their respective Garden-In-A-Box kits from the Castle Pines North Community Center, 7404 Yorkshire Drive, Castle Pines, CO 80108. **Spring Pick-Up:** Saturday, May 4, from 8:00am to 12noon. **Fall Pick-Up:** Saturday, August 31, from 8:00am to 12noon. Castle Pines North Metropolitan District customers receive a \$25 discount on each xeric Garden-In-A-Box purchase. Including the \$25 discount per garden, each Garden-In-A-Box will cost between \$74 and \$109.
- 2) A professional and highly customized **sprinkler & irrigation system efficiency audit**, complete with water loss diagnosis and water conservation recommendations, via the Center for ReSource Conservation’s Slow-the-Flow Colorado program.

FIRST 10: The first 10 HOA customers in Castle Pines that reserve & pay for one or more Garden-In-A-Box kits will receive #2 above at no additional cost. Supplies are limited. Call 303-999-3820, Ext. 222 or visit GardenStore.ConservationCenter.org today!

CHEERS TO 30 HARDY SOULS!

We salute nationally renowned gardener/author/lecturer Marcia Tatroe, Master Gardener Harriette Einolf, their respective husbands, Randy Tatroe and Councilman James Einolf, the Caucus of Master Gardeners (Carol Grant, Maragret Hayward, Ellie Landry, Judy Loser and Cathy Robinson) and, in fact, all of the 30 hardy residents who ventured out during the blizzard on Saturday, March 23, to participate in the first of our Xeriscape & WaterWise Workshop and Lecture Series at the Castle Pines North Community Center. The presentations, photography and dialogue were superb.
