

# CASTLE PINES NORTH

## METROPOLITAN DISTRICT

Tuesday, April 7, 2020

Dear Castle Pines North Metro District Friends, Neighbors & Constituents:

The ongoing COVID-19 pandemic prompted Colorado Governor Jared Polis last night to extend the statewide **Stay-at-Home** executive order **until Sunday, April 26, 2020**.

Though we, our staff, and respective families are thankful to be in good health, as stewards of our community assets and services, we are compelled to lead by example and take responsible steps in our domain to minimize person-to-person transmission of the highly contagious COVID-19 virus.

In that context, and out of an abundance of caution, we hereby **CANCEL** our regularly scheduled, **April 20, 2020**, board meeting. All business that would have been conducted during our April 2020 board meeting is hereby postponed until the following regularly scheduled board meeting on **Monday, May 18, 2020**.

CPNMD's headquarters will remain locked, during regular business hours, until **Monday, May 18, 2020**. However, because CPNMD is the community's provider of essential drinking water and wastewater services, **our staff continues working in our office and throughout the district, each day, Monday through Friday, from 8:00 a.m. to 4:30 p.m.**

If you need anything at all, please contact us at **(303) 688-8550** or email us via the **E-MAIL US @** icon on the homepage of our website at [www.cpnmd.org](http://www.cpnmd.org). We, or our staff, will respond promptly.

Although CPNMD's recreational facilities (skate park, playground equipment, basketball courts, and picnic facilities) are closed until Monday, May 18, 2020, you and your four-legged companions are welcome to utilize CPNMD's parks and trail system, **while steadfastly adhering to a minimum six feet of social distancing**. You may view, download, and print a PDF of [CPNMD's trail map here](#).
